

Currency Exchange International Partners with Travel Planners International to Enhance Member's Travel Experience Through OnlineFX

Orlando, Florida – Currency Exchange International, Corp. (CXI) (TSX:CXI) (OTCBB:CURN), a full-service foreign exchange technology and services provider, is proud to announce a new agreement for its OnlineFX Affiliate E-Commerce Program with Travel Planners International (TPI). TPI is a leading travel management company dedicated to providing travel services to both leisure and corporate clients. With a strong community of over 5,500 advisors, TPI aims to empower its clients to succeed in the competitive travel industry.

CXI's [Affiliate E-Commerce Program](#) brings Travel Planners International members an exciting benefit—enhanced access to currency exchange services. By integrating CXI's comprehensive online currency ordering solution into their offerings, TPI will provide travelers with seamless access to the foreign currencies they need for their global adventures. TPI members can order currency for home delivery and receive the currency as soon as the next day. Travelers can also reserve currency for pick-up at one of CXI's locations and take advantage of the Currency Price Protection buy-back guarantee to ensure they aren't left with unwanted currency. This collaboration is set to elevate the travel experience by making currency exchange more convenient, secure, and accessible for all Travel Planners International members.

CXI is dedicated to offering exceptional foreign currency exchange services with competitive rates and world-class customer support. With 80+ currencies and more than 40 branch locations across the United States, CXI is strategically positioned to simplify currency exchange for Travel Planners International members, ensuring they get the best value for their money and can focus on enjoying their travel experiences.

About Currency Exchange International

Currency Exchange International is in the business of providing comprehensive foreign exchange technology and processing services for banks, credit unions, businesses, and consumers in the United States and select clients globally. Primary products and services include the exchange of foreign currencies, wire transfer payments, Global EFTs, and foreign cheque clearing. Wholesale customers are served through its proprietary FX software applications delivered on its web-based interface, www.cxifx.com ("CXIFX"), its related APIs with core banking platforms, and through personal relationship managers. Consumers are served through Group-owned retail branches, agent retail branches, and its e-commerce platform, order.ceifx.com ("OnlineFX").

About Travel Planners International

Travel Planners International (TPI) is a family-owned Host Travel Agency in business over 35 years. They passionately support travel advisors across the United States by providing tools and fulfillment services. TPI assists each advisor, so these individuals and agencies become highly knowledgeable, efficient, competitive, and profitable leisure and corporate sellers in the travel industry. TPI continuously partners with various leading travel suppliers worldwide to accomplish this goal and ultimately advance the travel economy.
