CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION

This press release includes forward-looking information within the meaning of applicable securities laws. This forward-looking information includes, or may be based upon, estimates, forecasts and statements as to management’s expectations with respect to, among other things, demand and market outlook for wholesale and retail foreign currency exchange products and services, proposed entry into the Canadian financial services industry, future growth, the timing and scale of future business plans, results of operations, performance, and business prospects and opportunities. Forward-looking statements are identified by the use of terms and phrases such as “anticipate”, “believe”, “could”, “estimate”, “expect”, “intend”, “may”, “plan”, “predict”, “preliminary”, “project”, “will”, “would”, and similar terms and phrases, including references to assumptions.

Forward-looking information is based on the opinions and estimates of management at the date such information is provided, and on information available to management at such time. Forward-looking information involves significant risks, uncertainties and assumptions that could cause the Company’s actual results, performance or achievements to differ materially from the results discussed or implied in such forward-looking information. Actual results may differ materially from results indicated in forward-looking information due to a number of factors including, without limitation, the competitive nature of the foreign exchange industry, the impact of COVID-19 coronavirus on factors relevant to the Company’s business, currency exchange risks, the need for the Company to manage its planned growth, the effects of product development and the need for continued technological change, protection of the Company’s proprietary rights, the effect of government regulation and compliance on the Company and the industry in which it operates, network security risks, the ability of the Company to maintain properly working systems, theft and risk of physical harm to personnel, reliance on key management personnel, global economic deterioration negatively impacting tourism, volatile securities markets impacting security pricing in a manner unrelated to operating performance and impeding access to capital or increasing the cost of capital as well as the factors identified throughout this press release and in the section entitled “Risks and Uncertainties” of the Company’s Management’s Discussion and Analysis for Year Ended October 31, 2020. The forward-looking information contained in this press release

represents management's expectations as of the date hereof (or as of the date such information is otherwise stated to be presented), and is subject to change after such date. The Company disclaims any intention or obligation to update or revise any forward-looking information whether as a result of new information, future events or otherwise, except as required under applicable securities laws.
